Payment can be made either annually or by monthly instalments. Annual premiums can be paid by credit card or debit card. Monthly instalments can only be paid by direct debit.

When does the cover start and end?

Cover lasts for one year and the dates of cover are specified in your Policy Schedule.

If you pay your premium by Direct Debit there is no need for you to take further action, your policy will automatically continue at the end of the 12 month period, subject to policy terms and conditions. A further 12 equal monthly payments will be taken, reflecting the premiums stated within your renewal documentation. We will email the last email address given to us by you. If your email address changes between the commencement date and renewal date please inform us so that we can keep your record up to date.

If you pay in full by debit or credit card, you need to contact us to make payment before the renewal date, as your policy will not automatically renew.

How do I cancel the contract?

You may cancel this policy within 14 days of receipt of the policy documents (new business) or the renewal date by contacting us using the details given below. Any premium already paid by you will be refunded to you providing no claim has been made or is intended to be made and no incident likely to give rise to a claim has occurred, minus any applicable cancellation fee. If you do not exercise your rights during the 14 day period, your policy will continue as normal.

If you cancel your policy before the renewal date and have made a successful claim, the remaining of the years' premium becomes due. This is not applicable if the only claim you have made in the policy year is for the loss of your pet or the death benefit.
