### **Accident Only – 12 month policy explanation**

Our Accident Only cover level is a “time-limited” policy which enables you to claim up to the specified limit of £2,000 for vet fees for treatments arising from an accident for up to 12 months from when it is first treated by your vet. The cover level decreases with each claim you make. When you renew your policy the cover levels will be set at the sum available as at the last day of cover prior to the renewal date and for only the balance of any 12 month period left since the date that the condition was first treated, the 12 month period of cover for the condition does not reset when you renew the policy. For example, if your pet suffers an accident, you can claim for several treatments related to that incident for up to 12 months from when it originally occurred – but to a maximum of £2,000. After 12 months from the initial accident OR when the specified £2,000 limit is reached (whichever is the sooner) you will no longer be able to claim for treatment arising from that particular accident, but you could claim for further separate incidents – again, the specified limits of £2,000 and 12 months would apply.

#### **Example veterinary fees claim -**

Maximum cover £2,000 policy starts on 1st January

Condition first treated 1st June

Claim cost £250 for treatment on 1st June

Renewal cover level - £1,750 after 31st December

Date cover for the condition ends 31st May of following year.

To know exactly what is covered by **your** insurance contract **you** need to read **your policy wording** together with **your policy schedule**.

In return for having accepted **your** premium, **we** will in the event of **injury**, loss or damage happening within the **period of insurance** provide insurance cover as described in the following pages and referred to in **your policy schedule**.

### Making changes once the policy has started

Please contact **us** as soon as **you** are aware of any changes that need to be made to **your policy**, such as **your** postal address, phone number or email address. A change in **your** or **your pet's** details may mean the premium for the rest of the **period of insurance** may change as well.

### Upgrades or downgrades in cover level

Changes can only be made at renewal. Whenever **you** do this **you** must be aware that if **you** change to a **policy** with more or better benefit limits those benefit limits will not apply if a **condition** is present before **you** make the change. If that is the case the benefit limits that **you** had when the condition happened will apply.

If **you** transfer **your pet** to a **policy** with lower benefit limits, the higher benefit limit will no longer apply to any claims/**condition** **you** are currently making. Should **you** choose to decrease your cover level all existing **conditions** will be subject to the new lower policy terms.

If you move to a policy with lower benefit limits those new limits will apply straight away and to any claim you are currently making.

If there is any other insurance under which **you** are entitled to make a claim **you** must report the **incident** to that insurance company and tell **us** their name and address and **your policy** and claim number with them. **We** will not make any payment for any **incident** covered by any other insurance **policy**.

## Financial Services Compensation Scheme (FSCS)

**We** are covered by the Financial Services Compensation Scheme (FSCS). **You** may be entitled to compensation from the scheme in the unlikely event **we** cannot meet **our** obligations to **you**. This depends on the type of insurance and circumstances of the claim. Further information about the compensation scheme arrangements is available from the FSCS ([www.fscs.org.uk](http://www.fscs.org.uk)).

Cover is provided for an **accident** or **injury** occurring to **your pet**, subject to the policy **vet** fees limit shown on **your policy schedule**. The limit of cover, is on a per **accident** or **injury** basis and is for a period of 12 months from the date that the **incident** is first treated.

The **fixed excess** and **variable excess** are on a per **incident**, per **period of insurance** basis.

This **policy** level provides an amount for each **injury** and that is the maximum **we** will pay for a **condition** for the 12 month period. The amount available for each **condition** is reduced after each claim and does not revert to the maximum cover level when **you** renew each year.

Cover is continuous for each separate **incident** up to the limit of the **policy** for that **incident**. If **your** limit for cruciate ligament is reached and **your pet** needs a CT/MRI scan relating to the cruciate, this will not be covered.

## **Claims**

### **Claim notification**

**You** must submit **your** claim within 12 months of the **treatment** taking place. Any claims received after this time will not be covered by the policy.

### **How to make a claim - online**

**You** can register any type of claim on **our** website: <https://petsinapickle.co.uk/>.

For veterinary fee claims, either **you** or **your vet** can submit **your** claim. If **your** veterinary practice uses "Vet Envoy" (a piece of software that gives them the ability to log claims digitally), **we** can accept claims from **your vet** this way.

**Our** online process is paperless and easy to use, it will only take a few minutes to notify **us** of **your** claim.

**We** will ask **you** some basic questions about the circumstances of **your** claim and tell **you** what documentation **we** need **you** to send to **us** to support **your** claim and enable **us** to process it as quickly as possible. **You** or **your vet** can simply scan or take a clear photograph of the information **we** need and upload it whilst **you** are completing **your** online claim, however if **you** do not have it to hand **you** will be able to upload it later, using a secure link. **You** can also send the information in via email or post. Our contact details can be found on page 5.

If **we** need any additional information, **we** will contact either **you** or **your vet** to obtain it.

**You** will be regularly updated on the progress of **your** claim via email and/or SMS.

Once **your** claim has been processed, **we** will send an email to explain the outcome and any settlement details. If **we** are unable to pay for some or any of **your** claim, we will explain why.

### **How to make a claim - over the phone**

**You** can also register **your** claim over the phone by contacting **us** on 0330 126 0001 (lines open from 8am to 6pm Monday to Friday and 9am to 2pm Saturdays).

**We** will never guarantee any payment of a claim over the telephone until **your** claim is registered, has been reviewed and an outcome reached. Calls may be monitored or recorded to assist with training and for quality control purposes.

**We** will ask **you** some basic questions about the circumstances of **your** claim and tell **you** what information **we** need to process **your** claim. **We** will then send **you** or **your vet** a link, which will allow **you** to upload this information if **you** do not have it to hand. **You** can also send the information in via email or post. Our contact details can be found on page 5.

If **you** register **your** claim over the phone, **you** will still be updated regularly on its progress via email and/or SMS.

When **your** claim has been processed, **we** will send you an email to explain the outcome and settlement details. If **we** are unable to pay for some or any of **your** claim, **we** will explain why.

### **Other information**

Following a claim, and if applicable, **we** may try to get back any money **we** have paid from the person(s) that injured **your pet**.

If **we** have made any overpayment regarding claim settlements, **we** will contact **you** to discuss the best way for that money to be paid back to **us**.

If any liability under this insurance is covered by any other insurance policy, **we** will not pay any claims until that cover is exhausted.

### **Fraud**

It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. **We** employ sophisticated fraud detection and prevention techniques to ensure **we** only pay out on genuine claims. By doing this **we** are protecting the interest of all policyholders and are able to offer a comprehensive **policy** with competitive premiums.

**You** must not act in a fraudulent manner. If **you** or anyone acting for **you**:

- Make a claim under the **policy** knowing the claim to be false or fraudulently exaggerated in any respect.

- Make a statement in support of a claim knowing the statement to be false in any respect.
- Submit a document in support of a claim knowing the document to be forged or false in any respect.
- Make a claim in respect of any loss or damage caused by **you** on purpose or **you** knew it was caused on purpose.

Then:

- **We** shall not pay the claim.
- **We** shall not pay any other claim which has been or will be made under the **policy**.
- **We** may at **our** option declare the **policy** void.
- **We** may ask **you** to return the amount of any claim already paid under the **policy** since the last renewal date.
- **We** will not give back any premium already paid.
- **We** may inform the police of the circumstances.

### Preventing fraud

**We** and/or **our** agents, along with other insurers pass information to fraud prevention and credit reference agencies. **We** may pass **your** details to the Claims and Underwriting Exchange Register run by the Motor Insurers' Bureau and/or onto industry fraud databases, such as the Insurance Fraud Register and other databases, to which other insurers may have access.

### Renewal terms

**We** may limit or remove Third Party Legal Liability cover at **your** next renewal (or in some cases immediately, with 14 days' notice) following any **incident**, Third Party Legal Liability claim, notification that **your** dog is showing signs of aggressive tendencies, or any other circumstances where this is deemed appropriate.

If **we** offer further periods of insurance, **we** may change the premium, **fixed excess** and terms and conditions as **your pet** gets older and to allow for future increases in **treatment** costs. **We** will write to **you** by email or post at least 14 days before **your** renewal date. **We** will inform **you** about any changes to the

premium and/or **policy** terms and conditions for the next **period of insurance**.

If **you** pay **your** premium by Direct Debit there is no need for **you** to take further action, **your policy** will automatically renew at the premiums stated within **your** renewal documentation.

If **you** do not want **us** to do this, please call **us** on 0330 126 0001 or email **us** at: [customerqueries@petsinapickle.co.uk](mailto:customerqueries@petsinapickle.co.uk).

If **you** pay for **your policy** in full by debit or credit card, **you** need to contact **us** to make payment before the renewal date. **Your policy** will NOT automatically renew.

**We** will write to the last email address given to **us** by **you**. **We** are unable to prevent these from going into **your** spam or junk folders so please check these folders as well as **your** current inbox. If **your** email address has changed, then please inform **us** so that we can keep **your** records up to date.

If **you** are facing financial difficulties and don't think **you** can afford to pay for the renewal of the **policy** then please speak with **us** to discuss how **we** can help **you**.

### Complaints procedure

**We** are committed to providing **you** with an exceptional level of service and customer care.

**We** realise, however, that things can go wrong and there may be occasions when **you** feel that **we** have not provided the service **you** expect. Although it can help to make complaints in writing **we** are happy to receive complaints communications in whatever form or medium is appropriate for **your** circumstances.

Please explain clearly and concisely the reason for **your** complaint.

It is expected that the majority of complaints will be quickly and satisfactorily resolved at this stage, but if **you** are not satisfied, or if **you** have not heard from **us** within 8 weeks, **you** can take the issue further:

### **Step two - The Financial Ombudsman Service**

**We** will acknowledge all complaints promptly.

**We** will investigate quickly and thoroughly.

**We** will keep **you** informed of progress.

**We** will do everything possible to resolve **your** complaint.
